7.4.11.3 The National Committee can call for the Board of Trustees to pass a ruling on a project suspension

7.4.11.4 The following reasons for a proposal of project suspension are considered appropriate:

Students for Kids International Projects Bylaws

7.4.11.7 Any Branch in project suspension phase should consult an external for advice, where appropriate.

7.4.11.8 The Board of Trustees and National Committee will take responsibility in advising the Branch on how to communicate with Collaborating Organisations, volunteers and beneficiaries.

8.2.1.8.1 Branches must submit accounts for any permissible external accounts to SKIP National.

8.2.10.3.1 The National Treasurer must ensure that the relevant Branch buddy and Branch mentor are fully informed of the situation.

8.2.10.3.2 The Branch Committee must be sent a warning explaining that further failure to comply with Section 8 will result in Branch disciplinary procedures being implemented, leading to Branch suspension (see 2.5) and Project suspension (7.4.11) if financial issues are not resolved.

8.2.10.4 The Board of Trustees have the authority to immediately suspend a Branch on a financial basis, without warning, in the following situations in order to protect the charity status:

- a) Unsecure storage of money
- b) Abuse or embezzlement of money by any SKIP Member

8.2.10.5 The Trustee and National Treasurers have the authority to transfer money from the Branch bank account to the National account without prior warning following Branch suspension

8.2.10.6 In the event that an individual owes money to SKIP, action will be taken by the National Treasurer to ensure the return of this debt using the sequential protocol below:

1. Send an initial email with a deadline for repayment

Students for Kids International Projects Bylaws

2. If the deadline is reached without repayment, a reminder email should be sent emphasising the importance of repayment with a further deadline of at least two weeks. At least two other forms of communication, such as a phone call or text message, should be used to ensure the individual in debt to SKIP is aware to check their email. The Branch Project Coordinator should be made aware of the issue and their help sought in contacting the individual.
3. If this further deadline is not met there should be further attempts to contact the individual, warning them that we intend to contact their next of kin. The Trustees and National Committee should be made aware of the issue at this point.
4. Contact the individual's next of kin to explain the situation. Firstly, aim to re-establish communication with the individual and encourage early repayment. Explain the need for further action if payment is not received within a newly set deadline.
5. Further action should be taken. This may involve contacting the individual's university, employer or professional body. Legal action, such as registering this as a small claim, may also be taken.

8.2.11 ***Submitting Accounts***

8.2.11.1 The Board of Trustees will send the completed annual report to the Trustee and National Treasurers who will submit it with the end-of-year accounts, bank statements and receipts to the accountants.

8.2.11.2 The Board of Trustees will be responsible for signing the completed set of accounts and ensuring punctual submission to the Charity Commission.

Students for Kids International Projects Bylaws

8.2.11.3 The Board of Trustees will meet a minimum of two weeks prior to the submission deadline. The purpose of this meeting is to approve the financial statement, ready for submission to the Charity Commission, and to approve the online annual return form.

8.2.12 ***Fixed Assets***

8.2.12.1 It is the responsibility of the Board of Trustees, National Coordinator and Branch Coordinator to:

- b) Ensure that fixed assets remain in good repair.
- c) Ensure fixed assets are used effectively and serve the interests of the charity.

8.2.12.2 Assets with a value greater than £50 must be reported to the National Treasurer, and documented in the online archive

8.2.13 ***International Transfers and Collaborating Organisation Accountability***

8.2.13.1 All international transfers must be handled through a dedicated online platform

8.2.13.1.1 The current provider of international transfers is American Express

8.2.13.1.1.1 The Trustee and National Treasurers are responsible for communicating with the international transfers provider

8.2.13.1.2 Any bank account signatory may be given a username to access the international transfers online platform

8.2.13.1.3 All international transfers need to be created and authorised as below

- a) Any signatory may create an international transfer

Students for Kids International Projects Bylaws

- b) Only the Trustee Treasurer or National Treasurer may authorise an international transfer
- c) All payments must be authorised by both:
 - i. The National or Trustee Treasurer
 - ii. The Trustee for Organisational Development, or an individual to whom they have delegated their responsibility
- d) Access to international transfers will be reviewed at the beginning of each SKIP financial year.

8.2.13.2 Any Branch transferring funds to their Collaborating Organisation must receive a comprehensive budget from the Collaborating Organisation, detailing the use of the funds to be transferred

8.2.13.2.1 This budget should be approved by the Branch, National Buddy, Mentor and Trustee Treasurer before any transfer can be made.

8.2.13.2.1.1 All budgets should be re-assessed annually at a minimum to ensure optimum use of SKIP funds

8.2.13.2.2 SKIP funds transferred in any form to a Collaborating, or any other external, Organisation must be accurately and thoroughly accounted for.

8.2.13.3 Failure of the Collaborating Organisation to provide clear and timely accounts to SKIP, following appropriate communication and support, will result in those funds being terminated.

8.2.13.3.1 Appropriate communication and support should be determined on a case-by- case basis by the Branch, in full communication with the National Committee. The final decision must be ratified by the Board of Trustees.

Students for Kids International Projects Bylaws

8.2.13.4 Failure of a Branch to work in collaboration with the National Committee and Board of Trustees to address any concerns regarding Collaborating Organisation accountability, or provide adequate information when asked, may result in that Branch's project proposal being rejected.

8.2.14 ***Social Investments and Loan of SKIP Money***

8.2.14.1 Branches must follow the Charity Commission guidance on "Charities and Social Investments"

8.2.14.2 Any loan of money from a SKIP bank account to individuals must be clearly justified and agreed upon by the National Committee and Board of Trustees.

8.2.14.2.1 Documentation stating the reasons for the loan, amount of money and terms of repayment must be produced and signed by the recipient and a representative from the National Committee and Board of Trustees.

8.2.14.2.1.1 Copies of documentation must be retained by the recipient, National Committee and Board of Trustees

8.2.14.2.2 The Trustee and National Treasurers should seek external advice on the terms of the loan before an agreement is made

8.2.14.2.3 SKIP is not allowed to charge interest on any loans

8.2.15 ***Contingency Fund***

8.2.15.1 The Contingency Fund is an amount of money stored in a specific account accessible to the National treasury team that can be drawn upon in the event of an emergency to cover the costs of the evacuation of SKIP Members to either the UK or the nearest safest country.

8.2.15.2 We have not defined all of the situations in which the Contingency Fund could be used in order to provide for greater flexibility, as the terms of its usage are highly context specific.

Students for Kids International Projects Bylaws

8.2.15.2.1 The motivating principles must always be protection of the charity, Project and of volunteer wellbeing.

8.2.15.2.2 Further details are available in the 'SKIP Emergency Contingency Plans' document.

8.2.15.3 All Branches will be equally eligible to receive assistance from the Contingency Fund in an emergency.

8.2.15.4 All Branches are required to contribute to the Contingency Fund in order to minimise risk to the whole charity and protect volunteers. The Contingency Fund will eventually be contributed to equally by all SKIP Branches.

8.2.15.4.1 We have proposed an eventual contribution of £2500 per Branch

8.2.15.4.2 Except in extenuating circumstances and with the agreement of the National treasury team, each Branch will be expected to make a 'permanent' contribution of £500 each year for a period of 5 years.

8.2.15.4.3 Branches are encouraged to pay their £2500 permanent contribution in a period shorter than 5 years if they have the financial capacity

8.2.15.4.4 Money contributed to the Contingency Fund is designated to SKIP Branches, and the agreement is that SKIP Branches trust SKIP National to use it for emergency purchases only.

8.2.15.4.5 As this money is designated to Branch Project activities, in the event of Project withdrawal or Branch dissolution, money can be re-designated following Trustee consensus, in line with the charitable objective.

8.2.15.4.6 A spreadsheet will be created to record all money transferred between SKIP Branches and SKIP National. This will be shared online so that all Branches will have access to this.

Students for Kids International Projects Bylaws

8.2.15.5 Decisions in an emergency will be made by the Trustees and informed by the National Committee and relevant SKIP Branches. The advice of insurers as external advisors will be followed unless it is felt by the Trustees that this may compromise the safety of volunteers.

8.2.15.6 Any Branch that uses any of the money as part of an emergency response will be expected to fully reimburse this money from its volunteers.

8.2.15.7 All volunteers must sign the 'Emergency Fund Volunteer Document' before going to the Project Country. This document makes a commitment from each volunteer to reimburse SKIP for any money spent in the process of evacuating them within one month.

8.2.15.7.1 If money is not reimbursed within this timeline, the National Treasurer will be responsible for efforts to reclaim this money using the protocol for return of individual money, as described in 8.2.10.6

10.2.3 Suspended Branches are not permitted to fundraise until suspension is lifted.

Students for Kids International Projects Bylaws

- 10.2.4 A Branch at needs assessment stage may fundraise, but only if they make their donors aware that they are not fundraising for any specific intervention.
 - 10.2.4.1 Fundraising at this stage should be largely restricted to events primarily aimed at publicity and fundraising for the running of the Branch.
- 10.2.5 Branches may apply to individuals, companies or organisations that are local to that SKIP Branch without consultation with the National Fundraising Coordinator.
 - 10.2.5.1 A definition of 'local' is not provided, and Branches are advised to use their own discretion. It must not, however, encroach on an area covered by another SKIP Branch.
 - 10.2.5.1.1 If there is any chance that 2, or more, SKIP Branches may be fundraising in the same area they must communicate closely with each other.
 - 10.2.5.1.2 Branches may join together to fundraise and can decide between them how funds are to be split

- 10.2.7.1 Should they be approved, the Branch must agree not to provide anything in return, such as endorsements or publicity, and the company involved agreed not to use the SKIP name for their own ends.
- 10.2.7.2 Under no circumstances can Branches accept funds from companies known to be connected with Arms Trading.
- 10.2.8 Fundraising initiatives such as 'Sponsor a Child' are not permitted. SKIP does not have the manpower to sustain this kind of initiative.

10.2.16 Branches may only demand enough money from volunteers to cover logistical costs. They may not demand money from volunteers to cover their Project costs.

10.2.16.1 If Branches ask volunteers to fundraise on behalf of the Branch. This should be stated clearly at the selection process. Branches must provide volunteers with a minimum of 5 months' notice, or at the earliest available opportunity, of fundraising targets which they are expected to achieve

10.3.4.1 In cases where the charity number and logo are used in personal fundraising for a volunteer's own logistical costs, it must be made explicitly clear that any money donated will not be used for SKIP's charitable activities.

10.3.5 SKIP Members must inform their Branch of any fundraising they carry out and how much has been raised.

- 18.4.1 SKIP members from Branches that are unable to contribute to the Fund due to insufficient Branch funds may be entitled to claim from the fund if contributing Branches vote with a majority to allow this at the Autumn Big Weekend.
- 18.4.2 In the event of unforeseen circumstances during the SKIP year, for example in the event that a Branch cannot cover their project expenditure, the National Committee and Board of Trustees may review a Branch's contribution to the Travel Fund.
